Subject: Letter of Recommendation for Kashvi Thakore

MyCaptain, an initiative by an IIM Bangalore incubated company, is an online youth mentoring youth platform recognised by the UN SDSN as one of the Top 50 World-wide Youth Solutions.

It is with great pleasure that I endorse Kashvi Thakore. She has worked as a Workshop Facilitator in the Product Operations department and has truly excelled at her work. Kashvi worked as the facilitator for Technical workshops namely Web Development, UI/UX Design, Android App Development to help the mentors of these workshops as well the students have a great workshop experience. In addition to this, she has gained experience in data analysis to understand trends in the user behaviour on the MyCaptain platform. She has truly excelled in the Customer Experience and Product Quality domains working virtually over the 4 month tenure.

I have received high acclaim from her colleagues and personally seen her excel at the job role. I am sure she will be a great addition to any team or role she takes up and will excel at it. With this, I would take this opportunity to wish Kashvi all luck with her future endeavors.

I will be happy to answer further questions if any. Feel free to email me at madhurima.m@mycaptain.in
